**HERITAGE  
ACTION ZONE**

## **Shopfront Improvement Grants are available for Ryde High Street businesses**

We are keen to hear from property owners who would like to work with us to upgrade their shopfronts as part of the Ryde Heritage Action Zone.

If you are a building owner in the section of Ryde High Street running from St Thomas's Square to St John's Road and you would like to see if you are eligible for a grant of between £3,000 and £30,000, please contact us via the Ryde Building Improvement Grants page of the Ryde HAZ website [www.iwhaz.uk/project/ryde-shopfront-improvement-scheme/](http://www.iwhaz.uk/project/ryde-shopfront-improvement-scheme/)

## **What is the Ryde HAZ all about?**

The Ryde Heritage Action Zone (HAZ) is a four year programme funded by Historic England, Ryde Town Council and Isle of Wight Council. The aim is to regenerate Ryde High Street to create a vibrant town centre destination for residents and visitors to spend time in and enjoy.

Visit [www.iwhaz.uk](http://www.iwhaz.uk) to find out more about what is planned and how you can get involved.

# An inclusive public realm

We are currently working on proposals to improve the quality of public spaces in the Ryde High Street Heritage Action Zone (HAZ), from St. Thomas's Square to the St. John's Road / Green St junction.

We are keen to hear from property owners and businesses operating in the High Street about current delivery and collection arrangements, to ensure we can accommodate their business needs, whilst also implementing improvements for pedestrians of all abilities and ages.

A questionnaire asking High Street businesses and property owners about deliveries, will be published soon on [www.iwhaz.uk/high-street-delivery-questionnaire/](http://www.iwhaz.uk/high-street-delivery-questionnaire/).

Your needs are important to us and will help us design a space that works for all. Many thanks for your valued participation in the future of your High Street.
